Dear [Redacted]

STAT

I am most grateful to you for visiting us on 14 April. I regret that I was not able to meet with you personally, but hope that during the day you spent with us you acquired a better understanding of who we are and what we really do.

If you have any post-visit reflections about your visit here and your discussions with senior officers, I would appreciate your sharing them with me. I am convinced that the Intelligence Community, and in particular the CIA, working together with the nation's institutions of higher education, can do much to enhance our nation's security.

I wish you the very best for the future.
